PPC Summit attracts repeat attendees who want to stay abreast in internet marketing and gain a competitive online advantage. Attendees come back year after year to learn effective Search Marketing tools and techniques--a critical part of all marketing plans. "The difference between PPC Summit and other Search Marketing industry conferences is that this event is hands-on, it's all about theoretical methodology and practical strategies that marketers can apply to increase profits," said a PPC Summit Los Angeles attendee. "This is my third time attending PPC Summit and I have tripled my revenue after applying the lessons learned!"

A popular addition to the event is the [Meet the Experts](#) networking reception, which gives attendees a chance to wind down and absorb the information learned after a full day of training. Attendees have the opportunity to mingle with their peers and the presenters during an evening of fun and relaxation.

PPC Summit thanks the industry leaders who sponsored and partnered with the event: ADOTAS, American Advertising Federation of Northern Illinois, Anvil Media, Apogee Search, Business.com, Chicago Association of Direct Marketing, Conversion Voodoo, Direct Marketing Association, dmPulse, Engine Ready, eComxpo, International Internet Marketing Association, Lyris, Microsoft, Online Strategies Magazine, San Diego Ad Club, SEMpdx, SEMPO, Search Marketing Standard, Web Host Industry Review, Web Marketing Association and Website Magazine.
